Dr Simon Weaving
School of Design, Communications and IT
Faculty of Science and Information Technology

Dear Simon

Re: SEMESTER 1 2016 STUDENT FEEDBACK ON COURSES
CMNS1230 - Foundation of Media Production

The Faculty recently received Semester 1 2016 Student Feedback on Course scores. Congratulations on your exceptional results in achieving a score of 4.5 or more on the majority of questions in the survey and an overall satisfaction rating above 4.5.

Your valuable contribution and outstanding effort places your course in the top 25% of courses across the University. As excellence in teaching delivery is a key Faculty objective we appreciate and acknowledge your commitment and the hard work required to achieve such great results. Please also pass on my congratulations to all other staff involved in this course.

Regards,

Richard Bush
Pro Vice-Chancellor (Interim)
